"The Sands of Time"

as seen live at a
Charity Benefit Show
for Multiple Sclerosis

First we take a bowl full of water...

And we stir it,

And something magical happens!

Red Sand to represent all the wars in Egypt,

Yellow Sand to represent gold,

And Green Sand to represent the oases.

Mix them up and call out any color.

Yellow? Ok, this is hard... all dry, yellow sand.

Green? Remember these were all mixed.

All dry, green sand.

I forget... what was that last one?

Oh yeah, red! All dry, red sand!

Simply gesture to the water...

And it's clear! Everyone clapped wildly!
